The National Student Loan Data System (NSLDS) indicates that you have one or more student loans and/or grant overpayment(s) in an active bankruptcy status. Before you can receive additional federal student aid, you must provide a copy of the bankruptcy proceedings from the bankruptcy court which verifies that your federal student loan(s) and/or grant overpayment(s) are dischargeable. Your bankruptcy status *may* not affect your eligibility for financial aid.

Please submit a copy of the bankruptcy proceedings from the bankruptcy court and your Financial Aid Advisor will complete this form for edibility determination.
