

Move in Days/Times

New Students: Thursday, August 27th

Even Numbered Rooms: 11am – 2pm

Odd Numbered Rooms: 2pm – 5pm

Returning Students: Friday, August 28th

Even Numbered Rooms: 11am – 2pm

Odd Numbered Rooms: 2pm – 5pm

*Students needing to arrive outside of those times should submit the **Request for Different Check-In Form** to housing@rio.edu. Failure to receive approval may result in: 1) a \$50 fine assessed to the student's account or 2) the inability to check-in upon arrival.

Facial Coverings

Rio requires the use of facial coverings in indoor settings on campus for staff, students and guests. Please bring your own covering or a temporary covering can be provided to you. Please communicate with housing@rio.edu if you have a documented medical condition preventing you from wearing a facial covering.

Limitation of Guests

In order to decrease congestion in the residence halls, a student may only be accompanied by two guests at check-in.

Health Screening

All students and visitors to campus will be screened at the entry point to the residence hall. Upon screening you may be asked questions related to travel or exposure and may have your temperature taken. Each person will receive a sticker/band to note a successful screen.

Role of volunteers

Volunteers will be available in non-contact roles to assist with check-in. Unfortunately, volunteers will not be permitted to handle a student's belongings. If you require special assistance, please contact housing@rio.edu in advance of arrival.

Entrances/Exits

Entrances and exits to buildings will be marked and directional arrows will be placed throughout the buildings. The main entrance to each building will serve as the only entrance; all other doors will serve as exits. Please follow the arrows in order to decrease congestion.

Parking

Campus Police will direct you upon arrival to campus. The attached map highlights our residential buildings, main entrances (denoted with a star), and traffic flow on check-in days. Automobiles may be parked in "check-in" zones (denoted by the colored arrows) temporarily for unloading but then should be moved to any of our parking lots so that others may check-in.

Fall Athlete Check-In

Some of our fall teams begin pre-season training prior to traditional check-in. Please check with your coaching staff if you are to report to campus early. Additional check-in information will be sent to players on these teams.
